BACK AGAIN BY PUBLIC DEMAND – HOTSHOTS '84 – THE ULTIMATE SEX VIDEO

Every year the top video seller is HOTSHOTS – the strongest scenes from the top selling twenty sex videos from the previous year. This video has never been previously sold outside of Scandinavia, but not it's available in Britain, BUT ONLY FROM SELECTED OUTLETS WHO HAVE THE NERVE TO SELL IT! AND just to show you what a marvellous video this is we feature here some of the softer sequences from HOTSHOTS '84. However, this video does bring you EVERYTHING and scenes FAR STRONGER than we are legally able to put in a monthly magazine that's on sale in ordinary newsagents. HOWEVER, as this video is only sold in ADULTS ONLY Shops it contains: GROUP ACTION, LESBIANISM, OBJECT/SELF STIMULATION, EXPLICIT INTERCOURSE and ORAL SEX (not just stimulation, but the real thing), F/M/F ACTION. This video is too strong to sell in ordinary video shops, but you CAN but it from ADULT SHOPS (see back cover of this magazine for the address of your nearest shop) for just £24.95 (or rent it for £1.95). However, if you'd prefer to buy it mail order, send just £24.95 and state the make of your machine, to Video Division, 34 Upton Lane, London E7.

POLLY VINYL: PORN'S PRINCESS OF PLASTIC

Polly Vinyl, a real-life scarlet lady from Los Angeles (where else), specialises in "treatment therapy" for punters who can't get by in life without a daily dose of polyvinylchloride, otherwise known as PVC. Polly wears PVC garments 24 hours a day and insists that her "patrons" follow suit – not that they need much encouragement, even at 200 dollars a session. Just for LOVEBIRDS, Polly agreed to model some of the accoutrements of her trade...

LOVEBIRDS EDITORIAL

SHOCK! HORROR! WHO GIVES A SHIT? NOT FLEET STREET!

A Sunday "gutter press" hack called us up on the blower today, pursuing a "major scandal", so he said. And what, might you ask, was he after? Exposing corruption in the government? A secrets leak from Whitehall? Seeking to prove that Mrs Whitehouse is receiving financial backing from South American-based former Nazis? Not a word of it! Our centrespread girl of 5 or so issues back was trying to get a respectable job, and he figured it was the public's right to know! "Piss off!" we said, aping the journalistic style of his paper, because all this "journalist" really wanted was more dirty pics for his own sex-obsessed little rag. On the one hand it's fine to show a girl topless, but in centrespread style? That's outrageous, unacceptable to the public at large, and GROSSLY obscene! Indeed what hypocrites Fleet St abloids are! The more they rely on sex to maintain profitability, the more they seem to want to put the boot into sex magazines! True to style, the hack who spoke to us was so drunk, we could hardly decipher his requests, but when we "blanked" him, the air was bluer than a Color Climax centrefold. Could this jerk, we wondered, REALLY be a repesentative of one of Britain's top selling newspapers?

Indeed he was–and an assistant editor, at that! Finally he regained his composure and said: "Come on, we're all in the same business aren't we? All this 'outrage' and guarding the public morals stuff is all shit, isn't it? I mean, I know that, YOU know that... who gives a toss for the punters anyway?" THAT, dear readers, is what Fleet Street thinks of YOU. And what do we think of THEM? SHOCKING! DISCUSTING! AND DOWNRIGHT HYPOCRITICAL!

Your Editor, Melanie Sandford catching up with some work late one evening at the office!

VIBRATING PENIS

A viciously effective 'whip–hand ' stimulator (available in black or white) as favoured by the ladies of the Brazilian aristocracy.
Its unique snake like action mercilessly activates the nerve ending of the vaginal orifice, nerves that are by-passed by the conventional vibrator (which is active only at the tip).
This unique action also stimulates the lubrication duct and women who thought they knew themselves well, report a massive increase in fluid emission, after just a few moments alone with the vibrating penis.
It is contoured according to the penis of a donkey(which has more pleasure giving bumps and ridges than the human penis) but is sensibly proportioned at 7½ inches long.
Until very recently the vibrating penis was a black market item selling at £10.00 or more, but we are able to offer this brand new concept in female stimulation at a more reasonable price of £3.99 POST FREE

AVAILABLE IN BLACK OR WHITE.

BOX NUMBER GIRL

This is a true story, sent to us by Ted who lives in London. We have checked the story out, and have decided to publish it as we feel it may be of help to our readers in many ways.

She took me into her bedroom. It was a large room, there even mirrors on the ceiling, and the bed was one of the biggest that I had ever seen.

She turned to me and smiled. "Shall we get started?" she asked.

"I'm ready when you are," I told her.

She smiled again and then she started to get undressed in front of me. Well, when I say undressed, that isn't really fair, for she turned that strip into something really erotic. Yes, a real performance, and by the time she was naked, I could feel my cock growing hard in my pants, and when I saw her naked body, that old cock of mine started to throb like hell.

She smiled again when she saw the bulge. "I see you like my body," she said.

"You can that again," I gasped.

She was really something, her skin so smooth it seemed to gleam in the lights, and she had the sort of legs which were so long they seemed to go all the way up to her armpits.

She turned her back to me as she walked over to the bed which gave me time to admire the smooth rounded cheeks of her bum, and it was a wonderful sight, especially as she had a very deep cleft between the cheeks.

She reached the bed and then faced me again, and she said: "I'm so glad I saw that advert of yours in the contact magazine."

"Why did you reply?" I asked.

"I needed some good sex, that is why I bought the contact magazine," she replied. "I saw the advert you had placed, liked it, wrote to your box number and here we are?"

Yes, here we are indeed, I thought, as I started to undress. I had been unlucky in getting women of late, and had decided to put an advert in a good contact magazine, and I was amazed at the response. Twenty women wrote to me, and Kate, this girl in the bedroom with me, had

been just one of them.

"I can't understand why you didn't place an advert yourself in a contact magazine," I said, as I took off my clothes.

"I just couldn't be bothered with replying to the hundreds of letters I would get," she said. "It was far easier for me to write to a man who placed an advert."

I smiled, all the girls had said that. You know, in the past, I had thought the best way of getting women was to buy a contact magazine and then write off to the box numbers of women who advertised, but what Kate told me, that many women couldn't be bothered replying to all the letters they might get, had been told to me by other women who had written in response to my advert. I had already fucked with four of them, they were sexy as hell.

Yes, the best thing I ever did in my life was place an advert in that contact magazine.

I was now naked, and she looked at my cock and she smiled.

"I always like to play with myself a little bit before I get down to sex with a man," she said. "Would you mind if I did?"

"Kate, you can do anything you like," I said, and I moved over and sat on the edge of the bed.

She was really lovely, her breasts really full and very firm, and her red stiff nipples were the most beautiful I had seen for a long time, and like lots of women these days, she had shaved off all her pubic hair so that the lips of her pussy were fully exposed to my gaze.

Yes, I had already fucked with some of the women who had replied to the advert I had placed in that contact magazine, and they had all been very randy and sexy indeed, all of them more than willing to do anything.

Kate was now on the bed, and I looked at her, and my cock throbbed more than ever. Well, I'm always in the market to see a woman play with herself.

She had a real deep look of lust in her eyes and she stretched out, and I couldn't help but notice that her pussy lips were already damp, so she must have been as worked up as I was.

Her right hand moved slowly don her naked body, the fingers moving over her flat belly, and then the tips of her fingers came into contact with her pussy lips, and a sort of shiver of pleasure went through her body, and the lips pouted slightly, and I saw one huge drop of pussy cream come dribbling out.

Her breasts were really heaving now, and the nipples were so stiff and ahrd they looked as if they were going to explode at any second.

A soft moan of pleasure came from her mouth as she started to brush the tips of her fingers all over her pussy lips, and then the rubbing got harder,

and now the juices were really coming out, so much juice in fact the scent of it seemed to waft round the room.

She smiled, and now two fingers went inside herself, and I watched closely, well, like I said, a man would be a fool to turn down the chance of seeing a lovely naked woman wanking herself off.

Her eyes were wide with lust as she pushed those two fingers really deep into her pussy, and the lips gaped, and some more juice came out, and then she started to wank.

She started really slowly at first, the fingers hardly moving at all as they went in and out of her pussy, and then, as she got wetter and wetter inside, so she speeded up.

I moved even closer, and the scent coming from that wet pussy of hers was really good, and I breathed in deeply, and I could hardly wait to go down on her and get my tongue to work inside her cunt and suck her out and find out what those juices of hers tasted like.

She was wanking fast now, and her eyes were closed and her head was rocking from side to side, and the climaxes were going through her, really hard and intense climaxes which were making her entire naked body shudder with sheer bliss.

This went on for about five minutes, and I guess that in that time she had about half a dozen really good orgasms, and to tell the truth, it was such a great sight seeing her playing with herself like that, great to hear the slurping as her fingers went in and out, so great to see the cream coming from her pussy, that I had to keep a very firm grip of my emotions, otherwise I would have come right there and then.

The last orgasm went through her, and for a moment all she did was lay there, and then there was a wet sexy noise as she pulled her sticky fingers from her pussy.

"I like my own taste," she said.

"So do many women," I replied.

She nodded, and then she smiled, adn then her hand was moving from her pussy and going up to her face and then her tongue came out, and then she was lapping at her fingers.

I don't know about you, but I reckon it is a real turn on to see a woman drinking down her own pussy juices, but then again, an even bigger turn on is to drink them down yourself.

So, as soon as she had finished lapping at her fingers I just dived in and placed my face between her lovely thighs, and her entire body shook as I started to move my tongue all over her pussy lips.

The soft flesh of her quim felt good against my tongue, and her taste was out of this world, it wasn't really that sweet, but it was thick and hot, and there was something about it which made me want to drink down as much of it as possible.

But before I got stuck in, I wanted to have a look inside her, and so I used my fingers and then pulled the lips wide apart, stretched them really wide, and as I did so, juices spurted in a fine spray all over my face.

I could have looked into her love nest for hours on end and never tired of the view. When you look inside some women, it is a turn on, but that's about it, most pussy holes look pretty much the same.

But there was something about this one which made me gaze in wonder. The walls seemed more fleshy and delicate than most, the texture of the skin seemed different, and the pinkness of the love nest was brilliant.

In fact the inside of her quim looked so very good that I almost forgot what I was thre for, and then, as the scent wafted out, I remembered that pussy holes weren't just for looking at.

I opened my mouth, pressed my mouth very close to her pussy, and then poked my tongue in there, and that sexy lady was so worked up, that as soon as my tongue started to move about inside her cunt, she climaxed.

I felt her pussy walls rippling about over my probing tongue as that orgasm went through her, and then the pussy opened up a little, and I pushed my tongue in even deeper, and the juices were really good to the taste adn the bubbled into my mouth, and I drank them down, drank deep, and then went back for more.

Ys, that is the sort of pussy it was, the sort you could slurp away and tongue for ages and never tire of the taste.

I was really glad this particular woman had replied to my advert in the contact magazine.

I flicked with my tongue and then sucked hard with my lips, applying as much suction to that pussy as possible, and she kept coming, kept having those huge climaxes which shuddered through that beaufiful naked flesh f hers.

I came up for air, licked some cream my lips and then went back again, but this time I sucked at her clit, and that clit was the biggest I have ever seen on a woman, and as I rolled it about between my lips, and as I sucked hard on it, so she had another one of her huge orgasms.

I stayed down there for ages adn ages, doing what I said I would, drinking my fill of her lovely juices, and then I just ahd to come up to take a real long breather. I was gasping for breath.

She sat up on the bed, and she smiled. "When it comes to sucking pussy, then you really do know what it is all about," she said.

"How are you on sucking cock?" I asked her.

"I am an expert," she said.

"Do you take the sperm in your mouth or over your face?" I asked her.

She smiled. "Both," she replied. "I like to take half in my mouth and the rest over my face. Having the stuff like that thrills me no end."

I stretched out on the bed. "Okay, show me just how good you are," I said, and pointed down at my stiff throbbing cock.

Yes, she went down on me, and as the tip of her tongue came into contact with my balls, I was really pleased that I had placed that advert, and remember, she wasn't the first, and she wouldn't be the last, of the women who had replied to me, women who I would fuck.

Her tongue felt really good as it moved all over my balls. I knew she was an expert from that very first touch of her tongue.

Funny that, isn't it, but you can tell how good a woman is going to be from that first contact. Some women start to lap at your balls, or your shaft, and you know that it will just be an average blow job, but some women, like this one, lap at you, and you know from that very first second that the blow job is going to be something special.

And it was something very special, very special indeed, for her tongue moved in a remarkable way over my balls and then up my shaft.

It is hard to put into words just how good that woman was, it wasn't a question of what she did, it was more a question of how she did it, there was almost a certain magic about that tongue of hers, and as it lapped all over my cock, as it coated my cock with saliva from her mouth, my cock grew bigger and harder than it had ever done before.

Then the tip of her darting tongue was moving all over my glans, and that sent something akin to an electric shock through my body, and then she had opened her mouth, and she slowly drew my cock inside.

My glans was inside, and it felt good there, for she was rubbing it over the inside of her cheeks, and the feeling was amazing, and then my glans was right at the back of her mouth, so deep at the back that for a moment I thought she was going to take me right the way down her throat.

Then her head started to bob up and down, and the suction from inside her mouth increased, and then she was sucking hard, her cheeks blowing in and out, and her right hand was doing very nice things to my balls.

My cock was throbbing like hell, and she was sucking me better than I had ever been sucked before, and I knew that when I came I was going to shoot one hell of a lot of spunk, for the blood was pounding through my body, every nerve in my body was screaming out for release, and believe you me, I have enjoyed many blow jobs in the past, but never as much as I was enjoying this one. This woman really was an expert.

She sucked even harder, and I felt my glans bulge and saw her eyes go wide with anticipation, for she, like me, knew that it was only a matter of seconds now, and then it happened, for she sucked hard, pulled her fingers across my balls, then sucked again, and my entire body seemed to jerk and heave, and then the lady was having a huge climax, and you couldn't at it when you realised just how much thick spunk was coming from the end of my cock.

Yes, great thick streams of the stuff was blowing out from my cock, and I had been right, the suck had been so good that I was shooting out more spunk in one single go than I had ever done before.

She was climaxing as she drank it down, and then she did what she said she would, she took the first hot dollops of spunk into her mouth, and drank them down very fast, and then she removed my cock from her mouth and held it against her face and ran her fingrs up and down my shaft.

The fingers squeezed at my shaft and at my balls, and thick globs of hot spunk continued to come out of my prick, and these dollops of sperm showered all over that beautiful face of hers, and it goes without saying that this gave her yet another climax.

She pulled hard on my cock, very hard, got some more spunk out, and then pushed it back inside her mouth, and I wouldn't have believed it possible but she was able to suck me so well that I even managed to shoot more hot spunk into her mouth, and needless to say, she climaxed as she drank that down.

"Now that was what I call a lovely hot thick flood of sperm," she said, after she had taken my cock from her mouth.

"It was all due to the way you sucked me," I said.

She nodded and smiled, and then her right hand went to her face, and she wiped up a larg blob of my spunk from her nose.

"It seems a pity to let any of this go to waste," she said. "For it does taste very nice indeed." And with that, that sexy woman, placed her spunk coated fingers all the way into her mouth and sucked them dry.

It was the first time in my life that I had ever seen a woman do that. Sure, I've seen them drink down spunk dozens of times, but this was the first time that I have ever seen a woman actually wipe the stuff from her face and then lap it from her fingers. It just goes to show that you meet some really kinky women when you place an advert in a contact magazine.

Well, after that we rested, but only for a little while, for this lady liked to pack as much sex into an evening as possible, and after a while, her right hand went down to my cock nad she started to play with it, and as she did so, I leaned over and ran the tip of my tongue all over those fabulous boobs of hers.

I soon had her right nipple inside my mouth, was soon slurping away on it, was sucking for all I was worth, and she was using her fingers so well on my own cock that I was soon hard and stiff again.

I don't know how she managed it, but she did, for it usually takes me a good twenty minutes to get hard again after a fuck, well, I'm no super man by any means, but just ten minutes after I had come inside her mouth and all over her face, there I was, all hard and stiff again and ready for some more sexual action. Yes, she really was a remarkable woman, no doubt about that, and I for one was very pleased that she read contact magazines.

By the by, she had already told me that she got all her men from contact magazines, that she bought several magazines each month, and always replied to at least five men. She never went with the same man more than once, so that means that if any of you out there want to fuck with this woman, then you had better get your own advert into a contact magazine very quickly, and the ones she buys are **Unite,** and **Jet Scene** and **Nationwide.**

And I think that is the biggest favour that I can do anyone by telling them what magazines this sexy woman

buys. These were the ones I advertised in, by the way, in the first palce, and my advert got a response from all these women.

But back to what happened after she had used those experienced hands of hers and got me really hard again.

Like I said, I was sucking well at her tits, and she was enjoying it, and I was enjoying the way her fingers were working all over my cock, adn then she stopped, looked at me, and said: "Let's fuck. I'm dying to get your cock all the way up inside my pussy."

"Lady," I said. "You took the words right out of my mouth."

"How do you like it?" she asked.

"Darling, as long as I can get my cock into your delightful love nest then I don't care how we do it, we can hang from the ceiling for all I care, we can stand on our heads, all I want to do is feel your pussy walls round my prick."

She laughed. "I like a man who knows his own mind," she said. "But on our heads would be just a little uncomfortable, so how about the old fashioned way, as I'm an old fashioned girl, how about me underneath and you on top."

"Let's go," I said, my cock throbbing at the thought of getting inside that woman's pussy hole.

She stretched out on her back, and her lges were now wide open, and what an inviting sight that was.

I just looked down at her and a feeling of animal lust went right the way through me, a woman flat on her back, legs apart, pussy dripping hot juice into the sheets, just has to be the most erotic sight in the world.

She held her arms up, and I got on top of her, and that contact of her naked flesh against my naked flesh, was wonderful.

I kissed her on the mouth as her arms went round me, and her tongue was soon inside my mouth, and she could kiss better than any woman I had ever known.

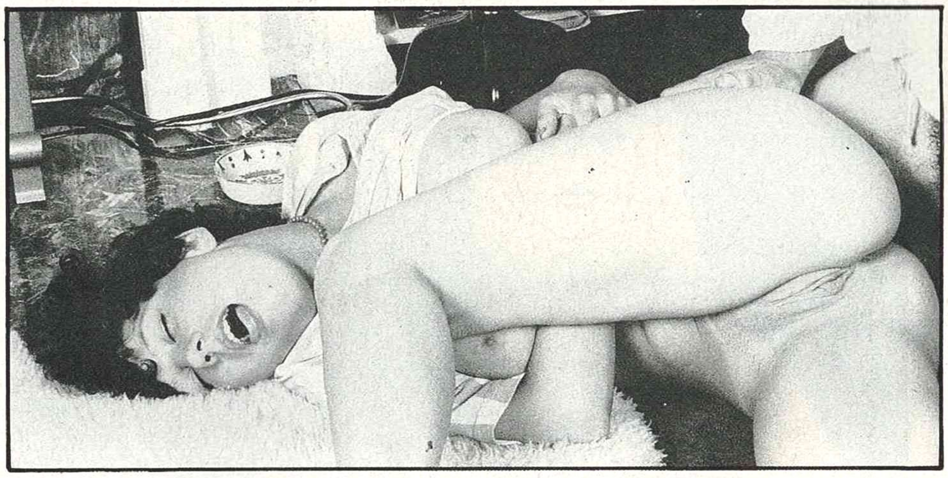
She writhed about as we kissed, arms holding me tight, and I could feel those firm naked breasts against my chest, could feel the hard points of her nipples against my skin, could feel that wet pussy of hers against my belly.

I lifted my head, eased down just a little and then pressed the hard head of my cock against her wet lips, and I felt her shudder in my arms, and I looked down at her and saw bliss in her eyes.

I rubbed my glans against her cunt lips, and then those pussy lips opened of hers own accord and my cock seemed to be sucked inside her.

Yes, I really do mean that, her cunt was so wet, and the suction inside it was so amazing, that as I pressed, and as her lips parted, so my cock just slurped inside her.

I didn't have to thrust, didn't have to push, I just sort of touched, and the lips opened and my cock went banging in.



Again, she shook in my arms as my cock went inside her, and the juices were hot and bubbling round my shaft, and the suction inside there was incredible, almost as if I had my cock inside her mouth and not inside her cunt. She had a truly remarkable pussy.

Then I pushed a little, and my glans went right to the limit of her hole, and again she shook, and again she moaned, and her arms tightened round my back, and she whispered: "Fuck me," in my ear.

Then her legs were high in the air, and this allowed me to get in just a little deeper, so that now my balls were against her cunt lips, and I could feel the lovely wetness dribbling out over them.

I started off slow, well, it was the sort of pussy you wanted to stay inside for as long as possible, and so I started slow, just eased in, and then pulled out, right out, till only the very head of my knob was still inside her, and then I slowly eased back in again until once more my entire thick throbbing cock was nestling in her love nest.

Her face was a real picture, this was a woman who really came alive when she had a cock inside her cunt.

It was so nice being inside her that I didn't want it to end, I just eased in and out, enjoying the feel of her wet flesh against my stiff cock.

But she had a mind of her own, and me going in and out very slowly didn't give her the orgasms she wanted, and so, after a while, her legs clamped down round my back and then she started to heave up and down just as fast as she could go, and that was very fast indeed.

I had to go fast to be able to stay inside, and soon I was blasting in and out of her pussy just as fast as I could go, which was very fast, so fast in fact that I was amazed we lasted more than another couple of minutes.

Yes, the last part of that fuck was fast and very furious, and she was yelling with pleasure, her entire body shaking under her, her bum going up anddown like a bunny rabbit, her legs gripping tight, and all the time that pussy of hers was getting hotter and wetter.

I banged away in and out of that fine cunt, and she started to climax, and during the last minute of the fuck she seemed to have one long continuous climax, the longest fucking climax I have ever seen any woman have.

I shot my load into her. I spurted spunk inside her. My come gushed and jetted into that tight pussy of hers.

Her eyes went wide, her legs gripped harder, her body heaved and shook as my spunk went into her.

I pumped away, thrust away, banged hard and deep with sperm pouring from my glans, and then I pulled out, and very quickly moved up the bed, and then pushed my cock into her open mouth. I don't know about you, but I always like to finish a fuck in that fashion.

Of course, some women don't like that, some women won't suck a cock after it has been inside their cunts, but this woman loved it, and she took my sticky spunk and juice coated cock into her mouth, closed her lips round my limp shaft, and then sucked just as hard a she could go, so hard that she managed to get some sperm from me.

"That was a great fuck," she said, as she sat up.

"That was the best fuck of all time," I told her.

"That was the best fuck of all time," she ageed, and then she smiled. "You know, I've never had a bad fuck from any man I've written to. All the men who advertise in the contact magazines hav always given me good fucks when I have written to them. Okay, come on, let's go into the bedroom, and I'll show you all I know about water sports."

And she did.

She was a really lovely woman. The sort of woman you dream about getting between the sheets. She was stretched out by the side of the swimming pool, her skimpy bikini revealing almost everything she had to offer.

I was pruning the roses at the time. I'm an odd job gardener, hire myself out round the town, and this woman's husband had hired me to sort out their huge garden.

It was a fabulous house, in its own grounds, and the husband had just left for the office, and I'd been working away, earning my bread, when his wife had come out in that bikini, and stretched out by the side of the swimming pool.

I kept glancing over at her while working on the rose bushes, and I knew that from time to time she was looking at me. Not that I did anything about it, well, that would have been a bit dodgy, if she wanted something from me, then she would have to make the first move. I'm not silly.

Well, I got on with my work, and about fifteen minutes later I glanced over at her again, and then my eyes went wide, for the lady had taken off the top of her bikini, was still stretched out in the sun, but now she was topless, and one look at her naked boobs gave me an erection on the spot.

Those boobs were really something, full and firm, for even though she was stretched out, they didn't flop or flatten at all, and they were tipped with really mouth-watering pink nipples, and those nipples were as stiff as anything.

She looked at me and smiled, and then it became obvious that she was feeling randy, for still looking in my direction, she slowly started to run her right hand all over her breasts.

The nipples became even stiffer, and I stopped work, and walked over to where she was stretched out, and she smiled at me, and that hand of hers still moved slowly over her breasts.

"You have a bulge in your pants," she said.

"What do you expect," I said, kneeling down next to her.

She smiled, and then her right hand reached out and brushed over the front of my pants. Well, I knew I was home and dry, she had made the first move.

She suddenly stood up, and quick as a flash she took off her bikini pants, and then stretched out on the grass again.

I looked down at her, and my erection became even bigger, for that lady had shaved off all the hair round her pussy, and I could see every single detail of her fleshy pussy lips, and what a beautiful sight that was.

Her legs were open, and her right hand moved slowly down her naked body, she was still looking up at me as the fingers of that hand started to play with her quim lips.

I stared at her pusys, and as the fingers moved over the fleshy folds, so little drops of pussy cream appeared, little drops bubbled from the lips, and pretty soon her fingers were quite wet.

She smiled, and her hand went back up her body, and then her mouth opened, and out came her tongue, and I watched with mounting pleasure as she used that tongue of hers to lap at her own juices from her fingers.

"Get undressed," she said, and then she stood up and dived into the swimming pool.

Well, I don't think I have ever got undressed faster in my life, and with my cock hard and throbbing, I dived into the swimming pool and swam after her.

I tried to grab hold of her in the water, but she kept squirming and slipping away from me, she was being just a little bit of a cock teaser at that stage. I didn't mind, I was happy to play the game by her rules.

She suddenly climbed from the pool. Shook herself, then picked up a towel, and then with a smile on her face she walked towards the house.

I stood there, not knowing what to do, and then she

glanced over her shoulder and said: “Well, come on, when I screw I like comfort, let's go to my bedroom.”

Still naked I followed her into the huge house, and up the stairs, and into this very large and well furnished bedroom, and there she was, on the bed, legs wide open, and again her right hand was down at her pussy, and this time she wasn't just playing with her pussy lips. No, this time she had pushed three of her fingers all the way into her quim, and she was slowly wanking off.

Now it is always a turn on to see a beautiful sexy woman playing with herself, and so I just moved over and sat on the edge of the bed and watched her, and believe you me, it was well worth watching.

Her fingers were gliding slowly in and out of her pussy, and this time even more juice was coming out, so much that the scent of it wafted round the room, so much so that her fingers were now soaking wet.

Then the fingers moved ever faster in and out of her pussy, and then her entire lovely naked body seemed to shudder, and her mouth opened, and then she shouted out loud and long a a really huge orgasm went through her.

She waited till the orgasm had finished, and then, still with that sexy smile on her face, she pulled her fingers from her pussy.

This time she didn't use her tongue to lap them dry, this time she held her hand up to my face. “Have a taste of me,” she said. “I'm sure you will like it.”

I took the tips of her wet fingers into my mouth, and she was right, I did like it, she had the sort of taste that I like, sweet and hot.

“Why don't you help yourself to some more?” she said, and with that she parted her legs very wide and pointed down at her pussy.

Well, I was happy to go along with anything she liked, she could call the shots, that was fine by me.

I moved round and then placed my face between her thighs and looked closely at her cunt, and she really was on heat, those lips were pouting out more than ever, the clit was showing, and the juices were flowing.

I leaned in, and the clit, which was peeping from the hood of skin at the top of the labia, looked so very inviting, that I started on it right away.

I just ran my tongue over that erect tissue, and that lady was so worked up, that she climaxed right there and then.

Yes, so worked up, that as soon as my tongue came into contact with her clit, she had an orgasm.

That erect throbbing clit felt good on my tongue, that clit seemed to be throbbing with a life of its own.

I soon had it between my lips, was soon sucking at it nice and gently, and she soon had another orgasm.

The juices were flowing freely now, in fact she was one of the wettest women that I had ever met, and soon my chin was soaking wet, and the scent of her pussy fluids was out of this world.

I sucked her clit, her lovely hard clit, till she came again, then let it slip from my mouth.

“Suck me inside,” she gasped.

“I did just that, but first I let my tongue brush all over those very inviting pussy lips, lapped up some more fluid, and then used my fingers and pulled her cunt lips wide apart.

What a beautiful sight the inside of her pussy was, all tight and red and hot, all filled with bubbling pussy cream. Just looking inside her quim gave me the sexual thrill of a lifetime, and from her reaction it was obvious that she was getting turned on from knowing that I was looking all the way inside her.

Yeah, a real turn on, and I soon had my tongue inside that wet and wonderful quim, was soon sucking and slurping away, drinking down that heavenly cream, using my tongue to poke into the very depths of her tube, sucking like mad, and soon she was shouting and yelling, and more orgasms went through her.

I just can't find enough words to describe how good that pussy of hers tasted, how great it was to be able to plunge my tongue all the way in and give her a really good sucking out. But let me tell you this, in my time I have been lucky enough to suck out quite a few pussies, and this one was the best, but the best.

There was something about the taste and texture of the inside of her cunt that made me thrill with delight, which made my cock become harder and stiffer than it had been for a long time. Her taste was so good, that just lapping inside her pussy was almost enough to make me come.

It was the sort of pussy that you could suck out for hours on end and never grow bored with, the sort of pussy that only comes along once in a blue moon, and when you have that sort of wide open quim in front of you, then you make the most of it.

I lapped away like mad, held my tongue stiff and poked it right to the depths, then pulled my tongue out and just sucked at the fleshy part of the labia, then pushed my tongue back in once more again and slurped away like mad.

She was having the time of her life, and so was I, and it was impossible to keep count of the number of orgasms that she had.

But in the end I just had to come up for air, and I rolled over, juices dripping from my chin.

She smiled and said that I had been good, very good, and would I like it if she were to suck me off all the way.

Now that a was a silly question, after all, what man is going to turn down the chance of a suck from a beautiful woman like that.

"I suck all the way," she said, as she moved down the bed and positioned her face above my hard throbbing cock. "All the way, and I drink it all down, for I love the taste of a man's come."

"Help yourself," I said.

"I will," she replied, adn with that her darting red tongue came out, and pretty soon that tongue was moving all over my hard swollen glans, and that felt good, for her tongue was gentle, and she lapped slowly, and it was obvious to me, from the very first contact, that I was in the hands of a real expert.

Then her wet tongue glided down over my shaft, round my shaft, and then her lower still the tip of her flickering tongue was working over my balls.

It felt good, really good, she didn't rush, but then again she wasn't slow, she knew just what she was doing, knew how to give real pleasure.

Her tongue moved up, and she lapped some more at my shaft, and then the tongue was on my glans again, and then she opened her mouth, and with a look of real pleasure in her sexy eyes, she slowly drew my entire glans into her mouth, drew it in really slowly and with obvious pleasure, and she shook with delight when she started to suck, so it was pretty obvious she liked the taste of my cock.

My glans was right at the back of her mouth now, her lips closing round my shaft, and her right hand went to work on my balls, while her other hand played with the base of my shaft, and to say that I now had the biggest erection of my life would the understatement of the year.

Her cheeks started to blow in and out, and the suction from inside her mouth slowly incrased, and then she was sucking really hard, cheeks going in and out, head starting to bob up and down, and all the time her hands were doing wonderful things to my balls and shaft.

I felt my glans really bulge inside her mouth, felt the inside of her cheeks rubbing and rasping against my cock as she waggled it round inside her mouth, and then she held my cock still and firm, and then she sucked harder than ever before, and that was when I shot my load int her slurping mouth.

Her eyes went wide, and she sucked harder, and my thick spunk pumped into her mouth, great thick waves of it, more spunk than I had ever shot out before in one go.

She climaxed as she drank it down, climaxed again as more sperm went into her mouth, so much spunk in fact that it started to drip from the corners of her mouth, and I was rather pleased with myself that I had been able to give her so much.

She was as good as her word, for she drank down every last drop that I shot into her mouth, and then, once my cock had slipped from her mouth, she used the tips of her fingers to wipe the sperm from her chin, and then quickly took her fingers into her mouth and sucked at them.

"Let's have a swim," she said.

So naked, we went out into the garden again and dived into the swimming pool, this was safe enough, for the house was in its own grounds and there were tall walls round the garden, and so for a while we splashed about in the pool, and then we clambered out and dried off.

"Reckon you are ready to fuck me?" she asked.

I nodded.

She smiled. "Okay, let's go back into the house and you can get that hard cock of yours into my pussy." she said.

We were soon back in the bedroom, and she was soon flat on her back, and I went down on her again, for I wanted to taste that juice once more, and again she had a good many orgasms as I moved my tongue about inside her love nest.

"We will fuck now," she said, as she saw that my cock was really hard, and with that she rolled round so that she was on her hands and knees on the bed.

"Screw my pussy from the rear," she said.

"Okay," I replied.

I got behind her and placed my hands on the very firm and very rounded cheeks of her delightful bum, and then slipped my throbbing cock between her legs, and as soon amy glans came into contact with her cunt lips, so she shook and heaved and a sigh of lust came from her mouth.

"In," she gasped. "Please push it in."

I wasted no time, took a firmer grip on her bum with my hands, and then eased my cock all the way into her pussy from the rear.

Sucking that pussy had been one thing, but fucking was another. When I had sucked her I'd thought her pussy was tight, but how tight was only obvious once my penis was going into her.

She was tight as hell, she was also very wet, and as I sunk my cock into that quim from the rear, I couldn't help but think that this was the tightest pussy that I had ever fucked. Yes, it was a real and deep pleasure to be able to sink my cock into that tube of hers.

She shuddered and heaved as my cock went all the way in, and I felt her wet cunt walls rasping against my shaft as I plunged home.

My glans was now in her very depths, my throbbing shaft was making her walls bulge all the way out, and it was good, really good, to feel her juices flowing and bubbling round my tool.

"Now, give me all you have," she gasped. "Fuck me silly. Fuck me with everything you have. Give it to me lover, give it me hard and deep and fast."

Like I said earlier, she was calling all the shots, and I was more than happy to go along with whatever she wanted, and if she wanted it flat out from the word go, then I was just the man to give it to her.

I took a deep breath, gathered my energy together, and then started to fuck her.

She started to climax from the very first thrust of my cock into her cunt, and then, for her, it was orgasms all the way. Never, in all my life, have I seen a woman have so many climaxes during a screw.

I flashed my cock in and out, going in deep and hard just as she had asked me to, and my cock thudded and banged, and I dug my fingers into her bum cheeks and got as much leverage as I could.

I was really at the top of my form during that fuck, I seemed to have all the energy in the world, and she went wild with pleasure as I slammed and banged and screwed her with all my might.

And what a fuck that was! What a glorious fuck! The sort of fuck that goes down into history.

I just went at it like the clappers, gave her all I had, and near the end sweat was pouring down my face.

She was climaxing right the way through that screw, but her biggest climax came at the end when my spunk went inside her.

It was the biggest and best ejaculation of my life. No doubt about it. I really excelled myself with that one.

The stuff shot from me in great thick loads, great thick dollops, and my body seemed to have turned to jelly, it was as if my entire being was being pumped into her pussy.

I kept my cock inside her as long as I could, and then eased it out, and took a great deal of pleasure in wiping it dry on the cheeks of her quivering bum. There is something very erotic about wiping your cock dry on a woman's bum, don't you think.

She stayed on her hands and knees for a little while, gasping for breath, large drops of my spunk dripping down onto the sheets from her pussy, and then she turned round, and I saw that there was a look of sheer sexual satisfaction on her beautiful face.

"Now that was what I call a fuck," she gasped, as she glanced down at her pussy.

'Yes, it was great," I told her.

"I don't think I have ever had so much stuff inside me," she went on.

"I don't think I've ever shot out as much as that before," I told her.

She smiled. "It had filled me right the way up," she whispered in a sexy voice. "I can feel it bubbling away in there."

"Yes, you look good," I said.

"Would you like to look?" she asked.

"How do you mean?" I replied.

"Well, some men I've had like to look inside my pussy after they have fucked me," she said.

"I've never done that before," I told her.

"I always say there is a first time for everything," she said softly, and with that both her hands went down to her pussy, and then very slowly she used the tips of her fingers and parted her pussy lips, and of course, as she did that some more spunk dripped out.

She was now holding those quim lips of hers as wide apart as they would go, and I went down there and did as she asked, went down there and looked into her hole and yes, it was an amazing sight, the first time I had looked into a woman's pussy after I had fucked her.

After that she didn't go into the bathroom to wash her pussy, she just walked back out to the garden and dived into the pool and washed her self there. She really was a sexy lady.

Of course, I joined her in the pool, and again we swam and splashed and had a really good time, and then I saw that look come back into her eyes again, that look which told me she was feeling sexy again, and yes, she jus got out of the pool, dried off and took me by the hand and once more we went up to the bedroom in the house.

We rolled about on the bed for a while, and then she pushed me flat on my back. "I am going to sit on your face," she said.

"That will be nice," I told her.

She smiled, moved round, and was then crouched over my face, so that by looking up I could see every single detail of her pussy, and that was a sexy sight indeed, for she was already very wet, and as she crouched over my face, so large drops of pussy cream started to drip down into my open mouth.

She sat down on my face, those floppy wet lips covered my nose and mouth, and that was a wonderful sensation.

I soon had my tongue up inside her pussy hole, nad again it tasted good, yes, I just couldn't get enough of that quim of hers.

She wriggled about on my face, from side to side, and then heaved up and down, and before long my entire face was coated with sex fluids from her quim

I held my tongue very stiff, used it almost as if it were a cock, and went in and out with it just as fast as I could go.

She sat on my face for about ten minutes, and that was ten minutes of sheer bliss for me.

Then she rolled from me, and I asked her to play with herself, for one thing I like seeing that, and for another I needed a breather.

She smiled, stretched out, and that right hand of hers flashed down to my pussy, and a few seconds later she had pushed three stiff fingers all the way into her quim and was wanking off like mad. Where this woman got all her energy from I will never know.

There were loud wet slurping sounds coming from her quim as she wanked off, and juices were spurting out all over the sheets, and needless to say, she was having a grat many climaxes while wanking off.

It was nice to see her, when she had finished, taking her fingers into her mouth and then sucking them dry.

I moved in again, this time using my hands and tongue on those perfect boobs of

hers.

She sighed and writhed as I sucked hard at her right nipple, had an orgasm while I worked on her other nipple, and then another orgasms when I slipped two fingers into that soaking wet pussy of hers.

Of course, she kept climaxing, I'd never seen a woman like her for having climaxes, and they shook and shuddered through her body.

Of course, she wanted fucking again, and this time she wished to be on top, and as far as I was concerned, as long as I got my cock inside her pussy I didn't much care what position we were in.

She sat on my cock, sat there without moving, getting her kicks from feeling my cock throbbing away inside her.

I reached up and used my hands on her boobs, pulled at her nipples with my fingers, and that was when she started to glide up and down on my cock.

The previous fuck had been fast and furious, this one was the complete opposite, slow and sexy, and she moved very slowly indeed, almost didn't move, if you get my drift.

Just slowly up and down, very slowly, up and down and sort of turning slightly a she came down so that my glans would rub against her walls.

Even though it was slow, she still had as many orgasms as when she was going fast.

It lasted a long time, and I didn't do a thing, just stayed flat on my back and let her do the work, and then, to make me come, she didn't speed up, she just sat on my cock, and then rippled her cunt walls up and down, and the suction from inside her pussy was so good, and the power of her walls was such, that after a couple of minutes of this my cock erupted inside her, and I shot loads of thick spunk into her waiting quim.

She sat there, still rippling, making sure that she had sucked out all she could, and then she rolled from me, and it was very nice the way she then took my cock into her mouth and sucked it clean and dry for me.

Yes, I never did get the gardening finished, and I never got paid for the small amount of work I had done, but what's losing a few bob compared to having such a great sex session with a woman like that, eh?

Do you attract Women? NEW Attractant 10

Get to first base every time with the new, reformulated, highly concentrated Female Attractant Pheromones—the undetectable scents that attract women, without them being aware of it. The unique working ingredients—the two human pheromones including 5α Andros—16—en—3 one recently demonstrated on a major TV science programme have been combined with an irresistable musk fragrance to produce a powerful and arresting aftershave—the key to unlock a woman's sensuality and arouse her innermost desires.

What you should know about Pheromones

Pheromones are the undetectable natural scents that we exude and which affect the way we react to others, both socially and sexually. Scientists have recently been successful in isolating some of these Pheromones and the one of greatest interest to men is Androstenone which attracts women. We all know that there is a minority of men who seem to attract women without effort. These are the men with a high Androstenone level—less than ten per cent of the male population. For the rest of us, the mating game has always been hard work—until now. After several years of research Attractant 10, containing the Androstenone Pheromone and a second important human pheromone, is finally available to the public.

Experiments prove the effectiveness of Androstenone

Results of the many experiments demonstrating the effectiveness of Androstenone have been widely reported in the press. The following extracts from some of these reports are convincing proof that it is a powerful female attractant.

'Minute quantities were sprayed on a chair in a Dentist's waiting room. Women patients made straight for the chair' **The Sunday Times** (20.1.80)

'Male pheromone secretions not only attract women, but repel other males' **World Medicine** (GPs Journal)

'Heaven Scent! The secret of Sex-cess' **The Sun**

'Dr Alex Comfort suggests that the musky natural scents may act directly on the brain's sex centre to heighten arousal—but at a level below the threshold of awareness' **Cosmopolitan** (July '79)

'Our push-button world has come up with an instant answer for all men who can't pull the birds... Spray on Sex Appeal!' **Daily Mirror** (19.3.80)

What more can we say? What more proof can be given? One spray of Attractant 10 will last at least ten days and there is sufficient for fifteen sprays in each container. Enough to last for nearly five months. Spray and full instructions just **£11.50**

ZETA WORKS WONDERS

She is young, blonde, and very beautiful. She is Zeta, and her mission in life is to help people. She only helpsa those that deserve it, helps them by using her sexual charms. Don't forget, Zeta appears regularly in the brand new fabulous magazine Adult Monthly.

Helping people is what my life is all about. But as you may have read, the type of people I help are rather special, they have to be ordinary men, not flash guys or super studs, and they must have a problem, and be very deserving.

When I was a blue film star in Sweden, many people helped me with my career, and I vowed that if I ever made it to the top I would devote as much time as possible in helping other people.

My kind of man is the 'man in the street', the sort of nice average man who reads this publication. They are the salt of the earth as far as I am concerned.

In my time I have helped fat men, thin men, spotty men, bald men, men with small cocks, short men, all types of men.

You see, some girls go for looks, I don't. I always say that it is personality whch counts, and if a man has a nice personality, then I don't care if he is bald or fat, or if he has a small cock. Anyway, far too much is said about the size of cocks, it isn't size which is important, it is what a man does with what he has got that counts.

Let me give you an example of what I mean by helping people with their problems, and then you'll see just what my life is all about.

A man called Stan was brought to my attention by a friend of mine. It seemed that Stan was feeling rather low, he had this large birthmark on his face, and felt very embarrassed about it, and as a result kept himself very much to himself. Of course, every now and then he went out with a girl, but some girls are very silly, and go for looks, not personality.

So, this man had a large birthmark, was becoming more and more of a recluse, and apart from that, he was also a very good fan of mine; and this friend of mine said that if I were to pay a visit to Stan he would be thrilled, and it would really give him back his zest for life.

Well, after finding out a few more details about this man I wa determined to get into bed with him, for he was a deserving case, and needed help, and I was just the person to help him.

So I travelled to Southend where he lived and knocked on his door one evening, and when he opened the door I saw that the birthmark was very vivid, but it didn't hide the fact that there was kindness in his eyes, didn't hide the fact that he was a very nice man.

His mouth gaped with wonder and surprise when he saw me standing there, for of course, he recognised me on the spot.

I walked into his lounge, and he turned his head to one side as he spoke to me, trying to hide the mark on his face.

I told him not to be silly, that girls who wouldn't go out with him because of that mark were not worth bothering about anyway.

I then told him why I was there, said that I had heard he needed a boost, had heard that he was feeling down. I then said that I was going to make his dreams come true, that I was going to bed with him right there and then, and that I was very sure that after i had fucked with him he would feel a different man.

He could hardly believe his luck, and I smiled, told him to stop turning his face away, told him that personality was more important than any mark on his face, and suggested we get down to what I was there for.

As we undressed in the bedroom, he appeared a changed man already, well, the thought of going to bed with me makes any man feel good, and by the time we were naked and on the bed, he seemed to have forgotten all about the mark on his face, and he was concentrating on moving his tongue over every single part of my naked flesh.

I told him that I knew many girls who would love to be with such a gentle lover as he was, and I was telling the truth about that.

His tongue lapped at my flesh, all over my breasts, my belly, over my pussy lips, down my legs, and then I turned over, and thrilled with delight

Considering she's spent so many years in the saddle, Melanie's got a surprisingly good physique – so good, in fact, we figured y'awl might like to join us over at the Lazy Q for a horny hoedown...

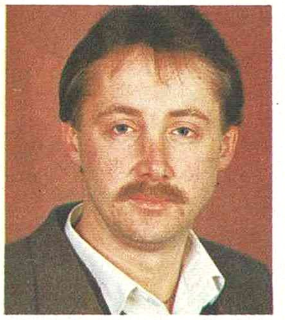
A VERY IMPORTANT STATEMENT

from the publisher of this magazine: my tribute to Mary Millington –



Publisher: Ray Darner

Dear reader,

Eight years ago I worked in a Steel Mill in the North of England. I was twenty two years of age and like most young men I enjoyed reading men's magazines (I still do today for that matter!). There was one magazine Star who was my real favourite – she was the model who always showed that bit more; she was the model who first posed with vibros up her pussy in a National men's magazine; she was the girl who managed to get herself photographed nude on a navy Submarine – and shocked the nation in the process; she was the model who firmly believed in her fight for freedom; her aims were ideals not monetary gain; she was the only model who was prosecuted under the obscene publications act and at a famous Old Bailey trial UNANIMOUSLY ACQUITTED . . . THE MODEL WHO I ADORED WAS MARY MILLINGTON.

On August 19th 1979 Mary tragically died; now five years after her death I would like to make available various items to you all to remember Mary by – and as my tribute to her I've arranged for all these items to be offered at nearly HALF of their previously advertised prices. If you're a Mary fan you'll want to take advantage of these very special offers – if you're a new reader whose only started buying this magazine in the last five years then you now have a chance to see why MARY has been acclaimed as the GREATEST SEX SYMBOL THIS COUNTRY EVER PRODUCED.

The amazing MARY MILLINGTON

UNCENSORED:

Our tribute to the Greatest Sex Symbol of all time. Mary Millington died as a result of her fight against censorship. This magazine is produced as a tribute to her and all she stood for. THIS IS HER OWN STORY IN WORDS AND PICTURES. We censor NOTHING – publishing new and old photos that are typical of the explicit style of posing that made Mary famous . . . Includes 16 NEW PHOTOS.

WARNING:

This magazine contains the most explicit material of Mary that was ever published. DO NOT BUY THIS MAGAZINE IF YOU'RE SHOCKED OR EASILY OFFENDED. We publish it as a tribute to her, what she fought for and the type of photos she liked to pose for.

when I felt his lovely wet tongue move down my back.

Then I had a very lovely climax, for his tongue was now moving all over my bare bum, and that always makes me come.

I rolled round, and he was smiling, he did look a lot better now, and I thought I would make him feel even more wonderful, for I told him that I was going to suck his nice thick cock.

He was on his back, and I leaned over him, and believe you me, when it comes to sucking a man's cock then I am a real expert. Those years I spent in Sweden making blue films made me an expert in all kinds of sex.

Yes, he was looking better already, I thought, as I moved my head down and planted a long gentle lingering kiss on the head of his glans.

He shook with delight at this, and so did I, for he tasted really good. I didn't hurry, for a cock is too fine a thing to hurry when you are sucking it, and I just lapped the tip of my tongue up and down his throbbing shaft, covering every single part of his cock, and his balls, with my saliva.

Then I moved up, and rubbed my breasts over his cock, and that made it throb more than ever, and he was no longer trying to turn his face away, he was now so filled with lust that he had forgotten all about it.

I moved my tongue up his shaft, and this time opened my mouth and took that glans inside, and the hot salty taste of that glans made me shake with joy, for it was one of the best tasting cocks that I had ever had inside my mouth.

I sucked gently at it, and at the same time used my fingers on his balls and shaft, and then drew the hot glans ever deeper into my mouth and then sucked it just a little harder, making it throb and bulge more than ever.

Yes, the taste of his penis was very nice indeed, and the more I sucked at it the more turned on I became, so much so that my pussy lips pouted open and lots of hot quim cream bubbled from my love nest. I was so wet down there it was amazing.

I bobbed my head up and down, and as I was sort of half turned towards him, he was able to reach out with his right hand, and then I felt the tips of his fingers playing with my pussy lips, and that turned me on more than ever.

Then his fingers went inside me, and that made me climax right there and I heard him sigh with pleasure, and that made me happy.

You see, he had realised, at last, that he could give me an orgasm, that it didn't matter about his looks, he could have been fat and bald as well as having that mark, and he would still have made me come, and that is what brought his confidence flooding back.

His fingers moved slowly in and out of my sopping wet pussy, and not long afterwards I climaxed again, but I still went on sucking, drawing that cock of his ever deeper into my mouth.

He wanked me faster and faster, and I took his cock from my mouth and yelled loud and long as yet another massive wave fo orgasms went flooding through every nerve and fibre in my naked body.

He realised that wanking me was spoiling my concentration, and so after a while he removed his fingers from my tight quim, and I leaned down again, and once more took his penis into my mouth and sucked it.

I used every single trick in the book to give him as much pleasure as possible, and that glans of his grew so huge and solid it was amazing.

Then it started to throb more than ever, and then the spunk started to shoot out, and of course, having thick waves of hot spunk gushing into my mouth always, but always, makes me climax.

But I didn't take it all into my mouth, for I know that men just love to see spunk on a woman's face, and so I pulled his cock out of my mouth – after drinking down the first thick wave of his sperm – and then held that spunk spurting glans close to my face.

I pulled on that throbbing shaft with my fingers, and lots of spunk spurted out all over my face, and I do mean lots, and it felt so good coating my face liek that, that again I climaxed.

I pulled on his cock and balls till I was sure that he was empty, and then I released my grip and looked at him.

He was smiling, he looked good, he no longer looked embarrassed about his face, it was obvious that what had happened had done him the world of good, and that made me feel very happy indeed, for I am always at my happiest when I have helped some one out.

I reached up with my right hand and then used my index finger to wipe some of the sperm from the tip of my nose.

Well, he was such a nice man, such a kind man, that I wanted to give him a real treat. I wiped some sperm, as I said, from my nose, and then winked at him, told him to watch, and then I poked that sperm coated finger into my mouth and sucked at it.

He gasped out loud at that, his eyes went wide with delight, and he said it was the kinkiest and sexiest thing that he had ever seen in his life.

I smiled, thanked him for the compliment, and then wiped some of his lovely stuff from my right cheek, and again I placed that finger in my mouth and sucked at it, sucked at it and then drank down the sperm.

I went into the bathroom and washed my face after that, and when I returned to the bedroom, he was still smiling.

Yes, the man who had opened the door to me had gone, the shy embarrassed man, in his place was a man full of self confidence, a man who was secure in the knowledge that he could give a great deal of sexual pleasure to a woman such as myself.

And like I said earlier, once a man finds out that no matter what he looks like, he can give women like me real sexual pleasure, then he forgets all about his other problems.

Mind you, I wasn't going to let it finish there, for I wanted to be sure that I had really helped him, so I got back onto the bed and once again took his cock into my mouth and sucked it, sucked it till it was huge and stiff and throbbing, and then rolled over on my back, opened my legs, and suggested to him that he could give me even more pleasure if he were to plunge his cock all the way into my pussy.

He wasted no time at all in getting on top of me and I climaxed as he thrust his penis deep into my love nest, and then I wrapped my long legs round the small of his back and heaved up and down, and he started to fuck me faster than I'd ever been fucked before.

He shafted deep and hard, really hard, really fast, the glans banging against my very depths, the balls slapping against my cunt lips, and when he came, he filled me to the brim with hot thick sperm.

He pulled his cock out, and I very quickly moved round and sucked his limp cock, sucked it dry, for I love doing that after I have been fucked very well.

So that was how I helped that man out, that was how I gave that man a new boost, a new lease of life.

Of course, I can't possibly get round to see every single fan of mine who has a problem, but I do see as many as I can, and you never know, if you have a problem, and you are a fan of mine, then one of these fine days you might just hear a knock on your door, and when you open it you could well find me standing there, and then I will help you with your problems, help you in the only way that I know how, help you in the way that I feel is best, by making all you sexual dreams come true.

But remember, studs and flash guys need not look out for me, I don't care about that sort. I go for the man in the street, the average hard working guy, for to me, he is the salt of the earth.

VIDEO SHOW – TAKE ONE

Helen looked at the man on the bed, and she went weak at the knees with desire when she saw how stiff and hard his cock was. It made her mouth water just looking at that prick.

She just had to suck it, she wanted to suck it, nothing else mattered, and she quickly took off her clothes, and with pussy cream already dripping from her labia, she jumped onto the bed.

Mark sighed with delight, when he felt the woman's tongue start to move all over his balls, he knew from that very first touch that he was in the hands of an expert.

Helen lapped at the balls, loved the feel of those balls on her tongue, and then slowly moved her tongue up the thick throbbing shaft.

Just being able to lick that cock was turning her on, and she could feel her thick hot pussy cream really bubbling away like mad inside her cunt.

Now her tongue was roaming gently over the glans, and the taste was so god that her body shook with desire, and just tasting the knob had brought her very close to orgasm.

She licked at the glans and soon it was coated with her saliva, and then she opened her mouth and lovingly took the knob inside and sucked at it very gently, and again she shivered with pleasure, for that cock seemed to be hotter and saltier than ever inside her mouth.

She took the glans all the way in and then closed her lips round the shaft, and at

the ame time her right hand moved down and her index fingers played with the balls.

Then she did climax, for the cock was throbbing inside her mouth. Usually it took a cock inside her pussy to make her climax, but this cock was so good, tasted so wonderfully hot, that just sucking it was enough to mak her come, and as she climaxed, so her pussy lips gaped wide apart, and now a thick flow of cream was soaking into the sheets.

She had one hand on the balls, one hand on the base of the shaft, and now she started to rub the swollen throbbing glans round the inside of her cheeks, and the taste was even better that way, and she shuddered with lust.

Then she started to suck just a little harder, and at the same time she moved her head up and down, and the man gasped, and thought this was the best suck he ever had in his life.

Her head was going up and down very fast now, for she wanted to get the spunk, wanted to get that lovely stuff into her mouth and drink it down.

She thought that spunk was the best sexual taste in the world, and so she really went for it, sucked hard and long and deep, using everything she knew to give that man as much sexual pleasure as possible.

Suddenly the cock started to jerk and heave deep inside her mouth, and she knew the man was close, and so she pulled hard at the balls, ran her fingers up and down the bulging shaft, and then sucked really hard.

The man heaved and shouted, then yelled, then heaved again, and Helen had a most amazing climax as the hottest thickest spunk she had ever known gushed into her sucking mouth.

As she drank down the first wave of spunk down, she had another climax, and then she very quickly took the cock from her mouth and used her fingers on the shaft, and the second wave of hot sperm went showering all over her face, and that felt so very good that she climaxed again.

She placed the cock back inside her mouth, and with sperm dripping from her face, she sucked hard again, and she sucked and swallowed, sucked and slurped, till she was sure that she had got every last drop of the stuff from the man.

Then she used her fingers, wiped some spunk from her face, and as she sucked at those fingers inside her mouth, yet another huge climax powered through every part of her beautiful naked body. Yes, when it came to sexual taste, that woman was mad about hot come.

VIDEO SHOW – TAKE TWO

The moment that Sue saw the dildo in the sex shop she knew she had to have it. The dildo was the biggest she had ever seen in her life, and she bought it, and then hurried home as fast as she could.

She was the sort of girl who always liked to try something new inside her pussy, and although she was of the opinion that nothing could beat the thrill of having a good stiff cock inside her, she did like to masturbate whenever she could.

The dildo had appealed to her because of its size and shape. She knew the shape would be just right for her pussy, but she wondered, as she stepped into her flat, if she could take all of it inside. She knew she would have to be very wet indeed to get it all in.

She hurried into her bedroom and undressed, and her naked body was really beautiful, she was very proud of her breasts and stiff red nipples, and even more proud of her pussy. She had the sort of fleshy pouting and floppy lips that en like to suck, and indeed, she was pleased with her pussy that she had shaved off all her pubic hair, so that nothing could hide the sheer sexual beauty of those lips of hers.

She stretched out on the bed, and placed the dildo by her side. The first thing was to get as wet as possible inside her pussy, and so she placed her right hand down on her quim and started to pull and rub at those pussy lips of hers.

She knew the best way to get soaking wet inside was to have an orgasm, for each time she climaxed she always spurted out masses of pussy cream.

She pulled at her pussy lips, then used the tips of her fingers on her clit, which sent thrills of pleasure through her body, and then she very slowly slipped two fingers inside herself.

She loved the feel of her fingers inside her cunt, loved it even more when she started to plunge them in and out of herself.

Before long she was panting with pleasure, before long she was gasping with lust, and she felt the juices start to flow and bubble inside her.

Her fingers worked hard and fast in and out of her cunt, and then she shook, then she heaved, and then a shout of sheer sexual satisfaction issued from her mouth as a massive climax went through her.

She pulled her fingers from her pussy, licked them dry in her mouth, and then sat up, she could feel the wetness inside her cunt now, and as she looked, she could also see the thick hot cream dribbling out.

She nodded and smiled, she was now as wet as she would ever be, and she should, with a bit of luck, she thought, be able to get most of that dildo inside her now.

She picked the dildo up in her right hand and curled her fingers round the base of the shaft, so thick that her fingers only just met round it. And again she hoped she would be able to get it all in.

She reached down and pressed the glans shaped end of that dildo against her pussy lips, and then pushed a little, and she sighed with delight as her cunt lips were forced open slightly, and then the glans of that huge dildo was going inside her, and then the shaft was going in, and she gasped again, for it was indeed the biggest thing she had ever had inside her in her life.

She carried on pushing, and inch by inch that dildo made its way into her tight wet cunt, and when it was halfway in she had a climax, paused till the climax had passed, and then went on pushing.

Now it was all the way in, and she was feeling very pleased with herself, and indeed, her pussy had never felt so full before.

She held it in there for a few seconds, her cunt walls bulging all the way out, her juices streaming away, and then she started to wank off.

At first, as the thing was so thick and long, she wanked very slowly, and then, when she got more used to it inside her cunt, she speeded up, till in the end she was flashing that huge dildo in and out of her pussy just as fast as she could go.

She had been right to buy it, she thought, as yet another climax went through her, for this thing was giving her more orgasms than any other object she had ever pushed inside her pussy.

She wanked off with it hard and fast, juices coming out and soaking into the sheets, and she almost went out of her mind with the intensity of the orgasms she was having.

She gave herself one final orgasm, and then she slowly pulled the thing from her cunt, and then, with a look of pleasure in her sexy eyes, she raised that thing to her face and then slowly lapped and licked the juices, the hot creamy sweet juices, from it with the tip of her tongue, and her own cream tasted so nice that this gave her another orgasm.

VIDEO SHOW – TAKE THREE

For the first time in her life, Jane was in bed with two men at the same time. She had always dreamed about this moment, she had always wondered what having two stiff cocks all to her herself would be like, and now she was about to find out.

She was on the bed, quite naked, breasts heaving up and down with sexual satisfaction, and Ted and Stan were getting undressed.

When the men were naked, Jane looked at them, and sighed with delight, for they both had really thick cocks. She was never interested about the length of a cock, that never bothered her, but she did insist that her men had thick cocks, and she had to admit that Ted and Stan were well built in that particular direction.

The three of them were on the bed, and Ted started to suck and lick at Jane's breasts and nipples, and while that was going on, Stand had moved down the bed and he was putting his tongue to work on the woman's lovely pouting pussy lips.

Jane sobbed with delight, she could feel that tongue working over her lips, and now it was going inside her and she cold feel it flicking away at her walls, and she soon climaxed, and what added to the pleasure was the fact that Ted was now sucking hard on her right nipple while both his hands were playing and pulling and fondling at her other breast.

This is better than I had hoped, she thought as yet another clmax burst through her, for that tongue of Stan's was now doing really amazing things deep inside her cunt hole.

The two men changed round, and now it was Ted's tongue that was inside her pussy, and he was holding his tongue very stiff indeed, and flicking it in and out of the pussy as fast as he could go.

Ted asked Jane if she was ready for a fuck, and she said she was, but that she wanted both cocks working on her at the same time, and Ted smiled, and said he knew just how to make that come about.

The men agreed on what they would do, and Ted moved up the bed and then knelt down by Jane's face, and then he was rubbing the hard head of his cock over her face.

Stan was down at the other end, between Jane's legs, and he was now rubbing his knob all over her wet pussy lips.

Jane thought she was in heaven, this was really good, a cock going all over her face, and another cock going over her quim lips, and then she gasped, for Stan had pushed in, and now that really thick cock of his was sliding all the way up into her tight cunt, and that cock filled her up so well, made her feel so good, that she climaxed right there and then.

Ted changed his position

slightly and then pushed his stiff throbbing penis into Jane's mouth, and she took it in, happy to have it there, and started to suck on it.

This is what she had wanted, this is what she had dreamed about, a cock in her mouth and a cock inside her pussy at the same time.

She sucked hard on that cock, took it right to the back of her mouth, and the hot salty taste made her tingle with lust, and all the while she was sucking and slurping on that cock, Stan's penis was driving hard and fast in and out of her pussy.

She climaxed again, and then again, as the two cocks worked on her, for she wasn't so much sucking the cock in her mouth, as Ted was pushing it in and out, he was treating her mouth as if it were a cunt, and she loved that.

More really good hard orgasms went through her as the cock in her mouth grew bigger and bigger, and she could feel Stan's glans banging hard against the very depths of her pussy hole.

Again she climaxed, and then she felt both cocks bulge, and she knew the time was close, and she hoped the men would both come at the same moment in time.

She got her wish, for just as Ted's hot spunk jetted into her mouth, so Stan ejaculated his hot stream of spunk into her pussy hole.

She could feel the sperm swimming and gushing inside her pussy, and as for the spunk inside her mouth, well, she was drinking that down just as fast as she could go.

Yes, her wish had come true, her dearest wish, and it had turned out to be even better than she had hoped, she now had spunk inside her mouth and inside her cunt at one and the same time, and she thought she would remember that moment for as long as she lived.

VIDEO SHOW – TAKE FOUR

Polly reached out and took Kate in her arms, and the two naked girls stood there in the middle of the bedroom, breasts pressed against breasts, each of them feeling the other's nipples pressing into the skin.

Polly kissed Kate, and Kate opened her mouth, and Polly's tongue started to flick in and out.

They stood and kissed for a long time, and then, both panting with desire, they moved over to the bed.

Polly was tall, with long blonde hair, small breasts, with large pink nipples. Kate was just as tall, but her hair was black, her breasts really full and firm, but what both girls had in common right at the moment was the fact that both their quims were soaking wet, both of them were randy as hell.

Polly stretched out on the bed and opened her long legs, and Kate gazed down at the quim and thought how beautiful it looked, how wet and pouting the lips were.

Kate moved down and placed her face close to the pussy, and then breathed in, and the sweet scent of the juices wafted into her lungs.

Kate then moved closer, and her mouth opened, and she lapped at the pussy, and Polly shook with sudden pleasure.

Kate loved the taste, she lapped some more, drew several large drops of pussy cream into her mouth, and the taste of thrilled her, and she wanted more, and there was only one place to get more, and so she used her fingers and then she parted the pussy lips, looked inside at the pink wetness, adn then slipped her tongue inside.

Polly screamed with joy as she felt that tongue moving about inside her cunt, these bisexual sessions she had with Kate were always well worth while.

Kate was an expert at sucking out another woman's cunt, and she used her tongue very well indeed, sh flicked with it, waggled it about, and then held it very stiff and poked it in and out of that wet cunt as fast as she could, and so it was no surprise to either of them that Polly had some huge orgasms while all this was going on.

Kate then took her tongue out, used her fingers to part the hood of skin at the top of the lips, and then took the clit between her lips

and sucked very gently at it, and the end result was that Polly heaved and climaxed with a huge shout.

Kate licked her lips and then moved up the bed, it was her turn now to be sucked out, but she wasn't going to be flat on her back for it, for when she had her pussy sucked she liked it to be done in a very special way.

Polly was still flat on her back, still with her legs wide apart, hot juices dripping from her love nest, and her breasts were heaving up and down, and her nipples were so stiff and hard they looked as if they were going to explode at any moment.

Kate moved round and then crouched low over Polly's face, and Polly looked up, stared up, and saw every single detail of the other woman's perfect cunt.

Kate smiled, she liked doing it this way, always had, and always would, but before she sat down on Polly's face, there was something else she wanted to do, and her right hand came down, and she slowly inserted three fingers up into her own pussy, and then she masturbated very fast, very hard, and very deep, the fingers slurping in and out of her cunt just as fast as they would go, and in no time at all she had an orgasm, and as she climaxed, so her juices showered down on the other girls face, and Polly climaxed then, for having hot pussy juice over her face gave her almost as big a thrill as when she had spunk there.

Kate wanked hard, and then pulled her fingers from her cunt, and then sat down, sat down all the way, now her cunt lips were over Polly's mouth, and Polly lost no time at all in pushing her tongue all the way up inside that waiting pussy.

Polly was as good with her tongue as Kate was, and she knew just how to use it to give the other woman as much pleasure as possible, and before long, Kate was rocking from side to side on Polly's face as massive orgasms powered through her.

Then Kate flopped forward, and now those two naked bisexual and very randy women, were in the 69 position, and they sucked on each other's cunts for a very long time, slurping away in unison, slurping and drinking down as much pussy juice as they could get.

After a very long time, when they had had all the orgams they could stand, they broke apart, and Polly leaned over and she lapped all her own pussy juice from round Kate's mouth.

Kate then did the same thing, she leaned over, poked out her darting red tongue, and then she very slowly, and with a great deal of feeling, lapped up her own thick drops of pussy juice from Polly's face, and then they held each other tight, then they kissed and then they did the same sucking thing all over again. They often wondered wht their husbands would think if they ever caught them at it.

VIDEO SHOW – TAKE FIVE

As soon as they were in bed together, Jenny went down on Ken's prick, for it was the tastiest cock she had ever come across, and she loved getting it inside her mouth. There were times when all she wanted to do was suck that penis and take the end result into her mouth and drink it down.

Ken was quite happy to go along with anything Jenny wanted, for he thought she was the sexiest woman he had ever met.

Jenny had the penis deep inside her mouth, very deep, and she was sucking away for all she was worth, but this time she didn't suck him all the way, she had done that earlier, this time she wanted him to come inside her.

So after a little more licking on that cock she loved so very much, she rolled round and then crouched over that hard tool.

She was so worked up, that her juices were already dripping down from her cunt, and some large drops washed over the head of the cock, making the glans all wet and sticky, and needless to say, Ken liked that a great deal.

Jenny moved down, slowly sat down, and she felt the swollen head of the glans come into contact with her pussy, and her lips pouted, and she sighed with delight, for that cock felt really hot against her soft quim lips.

More juice dripped down from her pussy, and then she sat down just a little more, and her pussy lips opened and the glans started to go inside.

The glans was throbbing like hell, and Jenny almost climaxed at that moment, and then she sat down just a little more, and now two inches of that thick cock was up inside her pussy, and this time she did climax, and it was the sort of climax she loved, it made her entire being shudder, made her entire body shake.

She waited till she had got her breath back, and then she sat down some more, and then some more, and then a litle more, and now she was sitting in the man's lap, and every solid throbbing inch of that huge thick cock was now up inside her quim, and she smiled with lust, and her breasts heaved up and down, and then she sighed, a lng low animal sigh of sexual satisfaction, for she thought there was no better sensation on earth than having a good cock inside her pussy.

Ken reached up, and his hands soon started to move over Jenny's breasts, and the fingers pulled at those nipples, then the palms of his hands squeezed those boobs together, making the nipples jut out even more.

Jenny smiled, this was good, this felt good, hands on her tits, and a good cock inside her, what woman could ask for more.

She started to move up and down that cock, started to glide up and down very slowly indeed, and she liked doing it slowly at first, for she loved the way when doing it slowly, the glans rasped and rubbed against the walls of her pussy.

But soon lust overtook her, and she could go slowly no more, and with a yell of desire she started to go up and down on that cock just as fast as she could go.

Her cunt slurped up and down, and her juices boiled, and now Ken was heaving up and down with his bum, and Jenny was having one of the very best fucks of her life.

She moaned with pleasure, she screamed with delight, as orgasms of wonderful intensity swept through her body and left her gasping for breath.

Then she felt the glans bulge, felt the cock grow hotter, and then one of the most powerful orgasms she had ever experienced went through her as the spunk jetted and flowed into ehr pussy.

She sat down in his lap, and then rippled and squeezed with her cunt walls, for she wanted to make sure that she got every last drop of spunk from that man, and when she was sure that she had, she then rolled from the cock, and then she did what she always did after a really good fuck, she reached down and pushed three fingers all the way into her pussy hole, and then she masturbated till she had another orgasm, and then, with a smile in her eyes, a smile of deep lust, she took her fingers from her cunt, and then slowly placed them inside her cunt.

Her lips were closed over her fingers, she could feel the sperm on her tongue, and she lapped and sucked, and again she climaxed a she swallowed down that sperm that had been on her fingers.

Readers' Letters

We at Lovebirds look forward to receiving letters from readers, and this section has become one of the most popular in the magazine. If you have an interesting experience or even a fantasy dream to relate, type out your letter and send to: Editor, Lovebirds, 34 Upton Lane, London, E.7.

Dear Editor,
I have just come across the most fabulous book about sex that I have ever seen in my life. I bought it at my local Private Shop, and it called THE JOY OF SEXUAL ECSTASY.

It is a picture packed guide to everything to do about sex, a real sex educational book, but where it makes all the other sex education books look silly, is in the photographs.

I suppose, that because it is an educational book, it can get away with showing such hard and very explicit photographs.

They are the most sexy pictures that I have ever seen in my life, and they show everything, and I do mean everything. The close up shots of people making love are the best I have ever seen.

This book shows positions, kinky sex acts, in fact everything you need to know about sex. Nothing is hidden, and nothing is faked.

THE JOY OF SEXUAL ECSTASY just has to be the best sex book on the market at the moment. The text is very witty, very informative, and very in depth, and the pictures illustrate every part of the text.

All in all, this is a real classic of a sex book, and no wonder the manager of the shop told me that it was his best seller.

I would say that if you want to know more about sex then this is the book for you; but even if you think you know it all, then still get this book, for the hard and very sexy pictures will make your eyes pop out of your head.
JHT, Altrincham.

Dear Editor,
Have just come across the most fabulous sex education book that I have ever seen in my life. It is called ACTS OF LOVE, and I bought it at my local Private Shop.

This incredible book is unlike any other sex manual. It is packed full of vivid, explicit photographs, each one of the pictures a crystal clear guide to the art of making love.

A lot of the photographs also show how to use special sex aids, and these pictures are very hot indeed.

A sex education book it may be, but the pictures are out of this world, and I suppose that because it is an educational book they can get away with publishing pictures that magazines wouldn't dare publish.

ACTS OF LOVE, is an amazing book, the pictures are so clear and explicit, and the close up shots of people making love are out of this world.

I understand from the manager of my local Private Shop that this book is really selling like hot cakes, and you only have to look at the pictures to see why.

I didn't bother with the text, informative though it was, I just looked at the red hot pictures.

All I can say is that it is amazing what people can get away with when calling a book an educational one.

Yes, it is educational, and very informative, and gives some really good advice about making love, but when it comes down to it, the reason I bought the book was because it contains the most explicit pictures that I have ever seen in my life. Yes, ten out of ten for this book.
NG, Corby.

Dear Editor,
When this girl called Kate suggested that I wank off all over her tits, I was all for that, for she had the most marvellous boobs that I had seen for a very long time.

But I said that it would be nicer all round if I gave her a tit fuck, that would be much more fun than me just wanking off.

She smiled and said that was a good idea, and she stretched out on the sheets, and her pussy was really very wet indeed, and her tits were heaving with lust.

I moved over her, knelt down straddling her, and then she pressed her breasts up slightly with both her hans, forming a nice deep valley between them.

I placed my thick throbbing cock in that valley, and she sighed with delight, and then she pressed with her hands again, pressed those amazing tits of hers together so that my cock was now trapped between them.

It was a very nice feeling indeed to have my hot cock between those cool firm breasts, and then she asked me to start, and I nodded, and slowly glided my cock in and out of that valley.

The sensation of tit flesh on my hot cock was really good, and she liked it also, for before very long she was whimpering with delight, and it wasn't long after that that she had her first orgasm.

I waited till her body had stopped shuddering, and then carried on working the full length of my cock in and out of her tits, and the longer it went on, the more orgasms she had.

Then I went flat out, really pushing hard, and she shouted with pleasure, adn then, just before I came, I took my cock in my hand, finished myself off with my fingers, pointed my prick downwards and then sprayed every last drop of my spunk over those tits of hers.

I had fully expected her to have an orgasm when my spunk went over her boobs, but I was not prepared for the fact that she had such a massive climax, that we just about fell off the bed.

Yes, I am not joking, as my hot spunk went shooting over her tits, she had the biggest fucking orgasm that I have ever seen any women have.

She heaved and shouted, grabbed at my cock, pulled to make sure there was nothing left, and then, when she had recovered from that orgasm, she sat up and then looked down at her tits, and a gleam of sheer bliss appeared in her eyes when she realised just how much spunk I had been able to shoot over her.

Her right hand went to her left tit, and she wiped the hot spunk from her nipple, and then she slowly placed her finger in her mouth and sucked it.

Then she used her hand again, and this time she rubbed the sperm into both her

tits, and she smiled when she had done so, and said that it was very good for the skin.

Well, of course, I fucked her later on, but the orgasms she had when I was shafting my cock in and out of her cunt were nowhere as good as the orgasms she had had when my spunk was going over her breasts.

Mind you, it was a good fuck, and she didn't complain, but later, when I had got nice and hard again, she again asked me to wank off over her tits, wank off this time, not have a tit fuck.

I did so, but my heart wasn't really in it, for I am one of those men who get pleasure from fucking. Sure, I like everything else that goes on, but when it comes down to the nitty gritty, when you reach the bottom line, then the best sexual experience there is, is to be able to drive your hard cock as deep as possible into a woman's cunt.

Call me old fashioned if you like, but tit fucking and wanking off over a woman's face or tits, is all very nice, but when it comes to real pleasure, then give me a real fuck any day of the week.

BFD, Bury.

Dear Editor,

When it comes to obtaining really good sex videos I reckon that Private Shops give the best deal in the country.

I have just hired a video tape called PORNO MODEL from my local shop, and without doubt it is the hardest and most explicit video that I have seen for a very long time.

The girl who is the star of this video is the most beautiful woman I have ever seen, and she is sexy as hell, she does things on this tape that just have to be seen to be believed.

In fact all the girls on this tape are stunning, and the lesbian scenes in particular are really something. This tape is all about a girl setting out to be become a porn model, and to get to the top in that profession she has to be willing to do anything, and the girl is more than willing.

The close up shots of the sexual action are rally good, you can see every single detail of what is going on, and nothing is left to the imagination.

I sometimes hire tapes from the Private Shops, for they offer very good rates, and I sometimes buy, and their prices for good tapes are cheaper than anywhere else.

Yes, the tapes they have on offer are first class, but the PORNO MODEL one is the best of the lot. I hired it at first, but when I saw how good and sexy it was, I bought it outright.

Yes, I've said it before, but I just have to say it again, this tape is the best, but then again, all the tapes they hire and sell at those shops represent first class value for money.

GS, Widnes.

Dear Editor,

Like most men, I like magazines, and when I want to buy a really red hot, uncensored girlie magazine, then I always go into a Private Adult Shop. For I have found that the Private Shops stock a bigger range of sex magazines than any other type of adult shop.

In Private Shops they stock magazines from all over the world, and most of those magazines are really very hot indeed.

I am always amazed that they can get away with selling some of the magazines that they do, for some of them are hotter than anything I have ever seen in Europe.

I have always been impressed, when stepping into a Private Shop, by the way the staff treat you. They do not try and presssure you into buying anything, they let you browse for as long as you like, and they are always on hand to give you advice should you need it.

I have found that their staff are very well trained, and that their advice is always sound and very good.

Every now and then I hire a video tape from my local Private Shop, and have always had first class value for money, tapes that would cost you a fortune in other adult shops, are always very reasonably priced in a Private Shop.

The tapes are first class, all the latest sex releases, both European and American, and their claim that none of their tapes have ben cut or edited in any way, has always been a true claim.

Yes, in this day and age of the great rip off, it is nice to know that when you step into a Private Shop you are going to get first class value for your money.

After all, we all work very hard to make our money, so it is important to spend it wisely, and your pound does go a lot

further at a Private Shop. Yes, my vote for the best adult shops in the country must go to the chain of Private Shops.
RW, Hertford.

Dear Editor,
When is someone going to do something about the stupid censorship laws in this country? Why can't I, as an adult, go into a shop and buy a porn magazine? Why can't I go into a club in this country and watch a live sex act?

If you look at other countries in Europe, you will find that most forms of commercial sex are legal, and yet in this country, which is supposed to be a democracy, all sexual things of a commercial nature are heavily censored. Why do we put up with this?
LDS, London.

Yes, why indeed do we put up with it? First, let us tell you what we have been doing on your behalf, on behalf of all our readers.

We have been campaigning for years to get the laws changed. We agree with you that an adult should be treated like an adult, as they are in other countries, that an adult should have freedom of sexual expression in this country.

If you look at Germany, Denmark, France, Sweden, etc., you will find that if you are an adult then you have the right to see and read whatever you like, there is no sexual censorship in those countries if you are an adult.

This country of ours, the UK, is the most heavily sexually censored country in Western Europe.

So what can you do about it? Well, each and every day millions of people in this country go into a sex shop or buy a men's magazine. If all these people, all these millions of people, where to stand up and shout and make their views known then things would change. But if they do not stand up and get counted, then things will get much worse. We don't have to remind you, do we, that we are in 1984, the year of Big Brother, where all things could well be stage managed by the authorities.

Every few years or so, those people who want to be MPs come knocking at our door asking for our votes. Okay, write to your MP, tell him that you voted for him last time, but that unless he does something about the censorship laws in this country, next time round you most certainly won't vote for him.

If enough people did this, if those millions of people out there who are concerned about sexual repression in this country, were to write to their MPs stating what we have just said, then believe you me, things would change overnight, for MPs like power, and they don't like to think that next time round they will be voted out of office.

Remember, the Government is there to serve the people, we, the people, are not her to serve the Government. They are our elected representatives, they are not our masters. We put them into power, and we can just as easily vote them out again.

Then you can write to your Euro MP, and say the same thing to him, and then write a letter to the Home Office complaining about sexual censorship in this country, for it is the Home Office who lay down the guidelines for sexual censorship in this country.

We agree with all those who say that adult should be treated like adults. It is stupid that if you are old enough to vote, you are still considered not adult enough, in this country, to have freedom of sexual expression.

We have done all we can at this magazine, and we are still doing all we can, but we do need your help on this matter.

No freedom in any country was ever won by people sitting on their bums and doing nothing. If you really want freedom of sexual expression in this country, if all you reading this, want that freedom, then you will have to fight for it.

You must stand up and tell the authorities that it is not good enough; you must tell them that you are an adult, and that as an adult you demand, and stress the word demand, freedom of sexual expression.

In other countries, as we have said, adults do have this freedom, they take this freedom of sexual expression as a right.

The Government were not voted in, this or any other Government, to protect our morals. They were voted in to run the country.

Who do they think they are that they can tell adult men and women what they can read and what they can't read.

It would seem to us that sexual censorship is just the first stage in political censorship, and as we have said, 1984 is here.

Yes, the situation in this country is stupid when you compare it to what happens in other democratic countries in Western Europe.

We are the laughing stock of Europe in our attitude to commercial sex.

We are adults, and we should have the same sexual rights as adults in other countries. We are the only country in the EEC where some form o porn is not lega.

So, we are doing our bit. Are you doing yours. We cannot do this on our own, we do need help, and apart from supporting the industry by buying magazines and helping us campaign more, then you can write to all those people who matter, write to your MP and the Home Offoice, tell them what you really think about their attitude to commercial sex.

but in a way, sex does not come into it. We are really talking here about freedom of exprssion a democratic country.

It is your freedom that is being hit, your freedom of expression that is being denied you. There is only one way of making them listen, and that is to write, write, and then write again, and refuse to vote for any MP who will not treat you like an adult.
HGD, Birmingham.

Dear Editor,
The other week, for the very first time in my life, I bought a contact magazine, and I'm very glad that I did, for it really has changed my sex life for the better.

I used to think that contact magazines were faked, so, to be honest, when I wrote to the box numbers of three women who were advertising in the magazine, I didn't expect much.

But then, about a week after I had written, those three women replied to me, so the magazine must have sent my letters on as soon as they had them.

Then three women were normal women, they didn't want money, they had advertised in the magazine as they were short of sex and wanted to meet men.

All three of them I met, and all three of them I fucked, and like I said, it didn't cost me a single penny.

The three women were good, but the one which stands out in my mind was Tina. She was new to the area, did not know many peole, and that is why she had placed the advert in the contact magazine.

I went round to her place, and she was really good looking, and we had a chat, for she wanted to get to know me, and then, after about half an hour, she said she did like me, and should we get down to what she had advertised for, which was as much sex as possible.

She took me into the bedroom, and there she undressed, and she had a stunning figure, and as I got undressed I couldn't help but think that the best favour I had

ever done myself was buying that contact magazine.

We got onto the bed, and she really was desperate for it, she said she hadn't had a fuck since she had moved to the area, and she really was anxious, and as soon as my fingers touched her pussy lips, she started to cream up, and no sooner had I pushe my fingers inside her than she climaxed.

The inside of her cunt was soaking wet, and she heaved and shouted as I worked my fingers in and out of that pussy of hers.

I finger fucked her for a long time, then went down and sucked her, and as soon as my tongue went in, she had another orgasm, and lots of her cream gushed, and I do mean gushed, into my mouth.

Then I rolled round, and she went down on me, but she didn't suck me all the way, for her main need was a fuck, and so soon, she was flat on her back and as I got on top of her, she put her arms round me, and again she climaxed as soon as the head of my cock touched her pussy lips.

I eased in, and her cunt was all nice and tight, and I went in all the way till my balls were pressed tight against her cunt lips, and then I started to fuck her.

She went mad with pleasure, and she had so many orgasms that I thought she was going to pass out with the thrill of it all, never in all my life had I ever come across a woman who was so desperate for a good fucking.

And a good fucking is just what I gave her. I really went to town with my cock inside her pussy, rammed hard and deep, bals slapping against her pussy lips, my glans rasping against her cunt walls as I went in and out.

The biggest climax of all, and I mean a really fucking huge climax, powered through her when my spunk went into her love nest.

She held my cock inside her as long as she could, and then, when I slipped out, she asked me to push my sticky cock into her mouth, for she said she really liked the taste of hot cock once it had been inside her pussy, so I took great pleasure in doing as she asked, and she slurped at my limp sticky cock for some time.

Well, I stayed with her all night long, and she was like that all the time, really desperate for everything I could do to her, and she started to get really kinky as well, wanking off while my spunk was still inside her pussy, and then licking her fingers with her tongue, that sort of thing.

Well, like I said, she was just one of three women that I had contacted through the magazine, and indeed, it was the best thing that I had ever done in my life, for all three women were for free, they didn't ask for a single penny, and they were also really good in bed.

Editor.

Dear Editor,

I recently read a letter you published, from one of your readers in Manchester, when he talked about fucking. He said that foreplay wasn't that important. Well, I don't know the sort of girl he goes to bed with, but all the women that I know set great store by having as much foreplay as possible.

Indeed, there are women around these days, who, unless the man is good at foreplay, will not fuck with him. I'm not joking. A friend of mine told me about a girl who, after he had sucked her pussy, said that he wasn't good enough, that she had no intention of fucking with him, and she got up, got dressed and went home, leaving him laying there naked on the bed with a hard on, and the only thing he could do about that was wank.

The girl I am going with at the moment, Kathy, also demands a lot of foreplay before I can fuck her. I must be okay in that department, for she has always fucked with me afterwards.

I remember the first time I went to bed with her, once we were on the bed, she turned to me and told me about her wish for extended foreplay, and would I please make sure that she had at least four climaxes during the foreplay, she wouldn't fuck with me afterwards.

Well, it was a challenge, and so I moved in and kissed her on the mouth, and she responded well, and it wasn't long before her tongue was flicking in and out of my mouth.

As we kissed, so I moved my right

hand down and the tips of my fingers found her cunt, and I felt her shiver in my arms as I rubbed at her pussy lips, and before very long, her juices were dribbling out over my hand.

I kept on kissing her, and at the same time, I slipped two fingers into her wet cunt.

I pushed my fingers in as far as they would go, and then started to wank her, and that was when she climaxed. Okay, I thought, one down three to go.

I finger fucked her for a couple of minutes, and then got her to stretch out on her back, and then went down to her pussy and started to run my tongue over her pussy lips, and found that her cream tasted very good indeed.

I then poked my tongue in, and she climaxed. I thought just two to go, and even though I then really gave her a good slurping out, she didn't climax again from that.

I came up for air, juices dripping from my chin, and then parted the hood of skin at the top of her labia and exposed her clit, and I went down and lapped at that, adn the clit grew really hard and stiff.

I lapped at it , and a few seconds later she climaxed. This was nice, I thought, just one more climax to go and I can screw her.

But although this woman climaxed quickly at the first bit, it then took her ages and ages to have another climax from me working on the same part of her body.

No matter how much I lapped at her clit, she still didn't have another orgasm from it.

Okay, I thought, let's go for a double, and so I pushed two fingers into her soaking wet quim, which made me shudder with pleasure, and then at the same time I lowered my head, took her clit between my lisp and started to suck gently at it.

This really did work, my fingers were going in and out of her tight cunt, and my lips were sucking hard at her clit, and after a couple of minutes of that, she let out this huge shout of joy, and then her entire body shook, and then the biggest climax so far went powering all the way through that lovely naked body of hers.

I kept sucking, kept finger fucking, for I thought if I gave her one more orgasm, she one more than she had asked for, then she would be all that much better during the fuck and I was right.

I gave her that extra orgasm, and then rolled on top of her and pushed my hard cock all the way into her cunt, and it turned out to be one of the best fucks that I had ever had in my life.

Well, that man who wrote to you and said that foreplay isn't that important was talking out of the back of his head.

Maybe the women he goes with are easy to plase, but I have found that women these days are getting more and more demanding where sexual pleasure is concerned, and any man who doesn't know a great deal about foreplay is going to find himself very lonely in bed in the future. Women know what they want, and any man who can't give it to them is going to end up on his own in bed.

TR, Solihull.

Dear Editor,

Have just seen that PARADE MAGAZINE is back on sale again, and I for one am very pleaeed about this, for this was always a great little magazine, and now, at just 75 pence, it is better value than ever before.

I was really taken with the hard hot poses that the girls take in this magazine, they really do let just about everything hang out.

The centre spread of the last issue featured a girl with the biggest tits I have ever seen in my life, and the way in which ayed with them was really something very special, also the way in which she opened her legs was eye-popping.
